WORK EXPERIENCE

San Gabriel Valley Medical Center, San Gabriel, CA

2017- 2018

Medical Scribe

- Monitored patient medical charts and recognized data discrepancies.
- Reported medical data discrepancies to physicians and nursing assistants.
- Assisted physicians in accessing all relevant test results and medical history documents.

Glendale Memorial Hospital, Glendale, CA

2017- 2018

Hospital Volunteer

- Admission; receiving incoming calls at the front desk, assisting visitors in making outgoing calls and guiding them to the appropriate resource or laboratories, monitoring, and ordering, scheduling appointments, escorting patients to a procedure, answering calls, and monitoring activities in the waiting room.
- Emergency Department: updating and preparing patient charts with labels, prepared patient beds and equipment for procedures such as endoscopy or ultrasounds, collected case information from patients to improve patient care procedure, transport patients from to and from procedure rooms, aided nurses in moving patients and providing supplies.
- Medsearch/Labor and Delivery Unit: interacting with patients, rounding on patient's rooms, charting medical records, assisting in discharges, answering calls, restocking supplies, assisting nursing staff with errands, and other tasks as assigned to help the unit run smoothly and allow staff to focus more time on patient care.

California State University Northridge, Northridge , CA

2018-2020

Front Desk Assistance

- Front Desk Assistant in International Student Center: Helped the Administrative Assistant, hosting events and organizing meetings.
- Welcoming guests, answering and addressing complaints or questions, handling phone calls and redirecting them to the concerned department, receiving correspondences and drafting, checking and sorting emails, monitoring office supplies, placing orders, updating office files or records, monitoring office costs and expenditures, and making travel arrangements or schedules.
